Dear Sir/Madam,

**Location:** Hightown Quarry, 40a Boghill Road, Ballyutoag, Co antrim and lands adjacent to the existing Boghill Road from its junction with Hydepark Road to the west of the existing access road into Hightown Quarry.,

**Proposal:** Proposed development of a Residual Waste Treatment Facility incorporating a Mechanical and Biological Treatment (MBT) facility, an Energy from Waste (EfW) Thermal Treatment facility, an Incinerator Bottom Ash (IBA) Treatment facility, a Refuse Derived Fuel (RDF) Bale Storage building, an Administration/Visitor Centre and related infrastructure including widening of the Boghill Road from its junction with Hydepark Road to west of the existing access road into Hightown Quarry site and other ancillary works.

I refer to the above application and further to comments received from Dfl Rivers on 11 June 2019 and the subsequent meeting regarding same on 21 June 2019.

It was agreed at the meeting that you would provide the information requested by Dfl Rivers. To confirm, under FLD1 of PPS 15 (Revised) Dfl Rivers Agency have requested a detailed river model of both watercourses at the Flush and Black bridges so as to provide

Dfl Rivers with assurance/evidence that the abutments are to be positioned outside of the Q100 floodplain. Under FLD 3, Dfl Rivers require a Drainage Assessment.

Please refer to the detailed Dfl Rivers consultation response and provide the necessary information accordingly. This request is without prejudice and the Department reserves the right to request any further information as is deemed necessary.

You are requested to provide the information on or before 6 August 2019. Should you have any queries please do not hesitate to contact me.

Yours faithfully

for Strategic Planning Division
